Take a box or two or three to fill on your own, or if you prefer you can drop off items in the appropriate containers to be packed into boxes as a group on November 19. WORD OF THANKS :

I'd like to send a message to those within our ranks, who do the little extras and never get the thanks. You wouldn't know who did the job unless you happened in, you can only see the neatness that we all enjoy within.

The lawn it gets its mowing by the "new" and by the "old" and sometimes the latest "joiner" is the mower I am told. And pulling all the weeds around and planting all the flowers. Makes our yard look so beautiful but it takes just hours and hours.

So when you take a look around and see all things in trim, If you aren't the one that did it say a prayer of thanks to HIM.
