TOMAS THE ANALYTICAL

1. Informative Addict
There is no such thing as too much information.

2. Indecisive
Every angle must be explored.

3. In sensitive
State facts and figures, not always aware of others feelings.

4. Incessant
Habitual, do things the same way, can be upsetting to interrupt their schedule.

5. Isolated
Prefer to be alone.

6. Independent
They can trust themselves. Don't necessarily trust others opinions anyway so prefer to make a way for themselves.

John 11:14-16 - Jesus says Lazarus is dead let's go to Him, Thomas said to the rest of the disciples, let us also go that we may die with Him.

1. Jesus did not respond.

2. He did not correct Thomas.

3. He just took them to Lazarus to show that He would bring Lazarus back to life.

John 14:1-6

The fact Jesus makes this statement in the singular demonstrates the narrowness of where faith can be directed for our eternal life.

John 20:24-29 - Thomas said, "Unless I see the prints in His hand and hole in His side."

Jesus allows him to do so. Then Thomas says, "My Lord and my God!"

Because you have seen you have believed, blessed are they who believe without seeing.
